CARRER OBJECTIVES

Currently a Third-year student of Indian Institute of Information Technology, Surat. As a ambivert personality, I like to implement my innovative ideas, skills and creativity for accomplishment of my short term goals. I want to excel in my life and to develop the best personality I can have. Always eager to work with a team, to brush up skills and to develop a team spirit.

EXPERIENCES

SARAS | CHIEF DESIGNER

Jun, 2021 – CURRENT

SARAS being the cultural society of IIIT Surat, works majorly on most of festivals, college events (Convocations, Farewell, Freshers). As a design lead have to manage and guide the whole design team, We design all the social media posts, banners.
• Drafted evaluation test (taken by ~6 designers) and interviewed ~20 designers to onboard ~8 designers.
• Held Figma workshops for new designers. Collated and shared resources about other tools (Adobe Photoshop and Adobe Illustrator, Figma).
• Currently, as the Chief Designer, I am leading a team of 8 designers to look after the end to end design of quarterly magazines, blog illustrations, and social media posts.

RENESA – SVNIT | DESIGNER

Feb, 2021 – Mar, 2022

The visual redesign of the magazine by ideating, creating mockups and executing final ideas to create a magazine for 4000+ students.
• Undertook 2 magazine projects, Ideated templates to bring consistency throughout our Social media presence. Created ~20 posts to be published on Renesa's Social Media pages.

EXAMLOUNGE | PRODUCT DESIGNER

Jun, 2021 – Aug, 2021

• Created ~200 posts to be published on the EXAMLOUNGE's social media pages.
• Wireframed the UI of the website and app.
• Created mockup video for invester presentation.

D.MOMO | PRODUCT DESIGNER

Jan, 2021 – Jan, 2022

D.MOMO was the idea to start the freelance or design compnay's journey with 2 colleagues.
• Created website for the same, and done the branding of D.momo.
• ~10+ projects realted to logo, cards, borchures.

PROJECTS

• **GuruCamp UI/UX** (2022)
It's the application for the community for colleges, schools, and coaching institutes. Students and school can manage their assignments, can connect with other students, can keep a record of their attendance and timetable.

• **Placement Brochure** (2021-2022)
Designed Placement Brochure for Indian Institute of Information Technology, Surat.

• **Farewell Magazine** (2021)
Worked with the team RENESA to Publish Farewell Magazine of Sardar Vallabhbhai National Institute of Technology, Surat(SVNIT).

• **Placement Brochure** (2021)
A placement brochure comprises all the information regarding the college, its culture, and the placements for the better reach of the Training and Placement Cell of an Institute. Used Adobe Indesign, Illustrator for the same.

• **Mobile UI for Student Diaries** (2020-2021)
Designed UI for the student Portal of Sardar Vallabhbhai National Institute of Technology, Surat (SVNIT).

• **D.MOMO** (2021)
Created website for freelance and for the showcase of design and development work so far.
